# IT SYSTEMS AND NETWORKING ADVANCED TO TECHNICAL MODERN APPRENTICESHIP

FROM NQ-LEVEL TO  
SKILLED IT ENGINEER

SCQF 6 AND 8

Our IT Systems and Networking Modern Apprenticeship develops real world skills in the most popular IT technologies.

It gives learners the technical grounding and experience needed to become skilled PC builders, data defenders and cloud controllers.

## What does the apprenticeship cover?

- Microsoft Windows Server 2012
- Microsoft Windows 7/8.1 and other client operating systems
- Cloud technologies
- Mobility solutions such as Microsoft Intune
- Support for Bring Your Own Device (BYOD)
- Securing devices and networks

## Why choose QA's IT apprenticeship?

£1000's of additional Microsoft training included (on top of apprenticeship qualifications)

Microsoft approved training partner

Ofsted 'Outstanding' training provider

# APPRENTICESHIP OVERVIEW

## Duration

This is a two-part apprenticeship including two apprenticeship levels.

- **Part 1 – Advanced Modern Apprenticeship** 8-12 months
- **Part 2 – Technical Modern Apprenticeship** 8-12 months

(With the opportunity to step off after part 1)

Approximately 8% of training takes place in the classroom. The remaining time will be spent in the workplace.

## Suitable job roles

- First Line/Helpdesk Support
- Junior Network Support/ Technician
- ICT Technician
- Systems Administrator

## Qualifications
